

Loyalty points.

Every time you come into the salon for a treatment or to buy products, loyalty points will be automatically added to your Account. These points are calculated as a percentage of your purchases and can be reclaimed at any time towards future treatments or products in the salon. You cannot exchange them for cash, only products or services and they will accrue overtime. They are just a little extra to say thank you for your loyal custom. Ideal to save for birthdays or Christmas.

To find out how much you may have towards future products or treatments in your account, please ask at reception. Some 'special offer' or already discounted treatments or products may not include loyalty points.
